A-Z OF SPORTS CLUBS AT SOMERDALE

BOWLS

Fry's Bowls Club was founded in 1917 as part of Fry's chocolate factory sports section. The club plays in mixed friendlies on Wednesday and Saturday afternoons against clubs in the Bristol and Bath area. These games take place between April and the end of September. If you haven't played bowls before, feel free to come along on a Tuesday night from 6pm or Monday afternoon and someone will show you how to play. Equipment will be provided but please wear flat-soled shoes if you can.

CRICKET

Fry Club runs a cricket XI that plays in the Bristol and District Fourth Division. New players of all abilities are always welcome.

FOOTBALL

The football section has five senior teams, youth teams, Fry's Club Colts U7 – U18 and girls' football teams, all playing on the best pitches in the area with excellent facilities.

JUNIOR FOOTBALL

Junior football is flourishing within Fry Club FC and boasts a successful Charter Standard junior youth section which is run with its own separate team of qualified managers, coaches and committee members. The club works closely with each of its junior teams to ensure junior players can progress seamlessly to the senior teams when they reach sixteen.

Fry Club Juniors FC also includes Soccer Tots on Saturday mornings for U6 players, after the summer break, where the emphasis is on fun and games.

SENIOR FOOTBALL

We run a total of six open age Adult men's teams which include four teams under the Fry Club FC banner and two teams under the Fry Club Old Boys FC title. This allows us to offer a challenging and varied standard of football for all ages and abilities ranging from the Bristol & Suburban Association Football League through to the Somerset County League where we compete at the highest level in the Premier Division, one league down from the Step 6 Western League.

We are a Charter Standard development club and our home games are played within the superb surroundings of Somerdale Pavilion, which boasts the finest and largest number of pitches and changing facilities in the Bristol and Somerset area.

Our aims are to progress the club to the highest possible level we can achieve within the National League System, promote health and well-being through sport and develop individual players within a team environment in order to support everyone's level of ability.

GOLF

A good, flat 9-hole course, par 70 with two challenging par 5 holes of 500+ yards. If you want to play in the Avon Valley setting on the Somerdale Pavilion site then join this growing section.

JOGGERS

Fancy joining a jogging group for enjoyment rather than exhaustion? Fry Club joggers is a friendly group that runs on Tuesday evenings, meeting in the Sports Bar from 7.00pm, ready to head off by 7.15pm.

NETBALL

Fry Club Netball section runs four senior teams and nine junior teams. Junior age groups are U12, U14 and U16. U12 and U14 teams train at the Somerdale grounds. All other teams train at the indoor sports hall at Wellsway School in Keynsham on Tuesday evenings.

The teams play in the Avon Netball League on weekends. Our junior section is supported by Level One coaches and we also encourage the juniors to work towards umpiring and coaching qualifications.

SKITTLES

With two alleys, skittles is big at Somerdale Pavilion. Leagues run throughout the day and evening. We welcome new teams to all leagues and newcomers into our competition. Alternatively, you can hire the alleys for your own private party or event.

TENNIS

Two all-weather carpet courts, league teams and a very buoyant junior section are based at Somerdale Pavilion. Members of this section can use the courts for their own matches or join the league teams.
